

Auxcomm Working Group

2018-08-09

Section Meeting

- Section Outing Cancelled
- Hamcon Cancelled
- So, what to do
 - Independent meeting
 - Lansing?
 - Clare?
 - Series of Webinars
 - Series of Videos
 - Something else

Training Plan

- Three Auxcomms per county not realistic
 - $3 * 83 / \sim 60$ per year = >4 years
 - That number not well balanced over counties
 - Over that time we will have lost a lot
 - Do we settle for less
 - Do we change the dynamic?
 - More trainers/classes?
 - Requires COM-L, COM-L trainer, Auxcomm

Interop

- Presentation Ideas
 - Notable activations
 - Technical topics
 - Mi6WAN?
- I have asked Jaclyn to invite John Peterson
 - Auxcomm author
 - Might have too many OEC presenters
- FCC?
 - Three initiatives

Michigan Annex

- FEMA Michigan Annex update in 2019
- Need to ask ECs to update database for Michigan Annex
 - <http://ares-mi.org/ccpf.php>
 - Manual update so get data to chair
- Add SHARES to current list of technologies

Communications Coverage

- What EOCs are in repeater range of SEOC
- What VHF data paths are available out of EOCs
 - In many cases we can now link into Mi6WAN via packet
 - Need to get that documented
 - Some counties have relays via HF Winlink
 - Long-haul typically 14 MHz

SET

- October 13
- Digital
 - Packet – 145.7600
 - Pactor – 3.5919
 - MBEMS – 3.5830 Olivia 8/500
- Asking NTS stations to relay
 - WB8WKQ
 - WD8USA

District Activities
