

# 2020 Statewide AuxComm Meeting

Introduction

# What is Auxiliary Communications (AuxComm)?

“Auxiliary Communications, or “AuxComm”, refers to **organizations *and* personnel** which provide ***various types*** of emergency communications support to **emergency management, public safety, and other government agencies**. AuxComm services are typically voluntary, and are commonly provided by amateur radio communicators, but ***may also include other volunteer organizations which have established relationships with the government organizations they support.***”

- Auxiliary Communications Field Operation Guide (AUXFOG)
